Jen:

Great to meet you and congratulations on joining (and soon-to-be-leading) the Asbestos Team!

First the attachments....I've sent you the "OGC" copy of TSCA and two of our "framework rules" – one on prioritization and one on risk evaluation. I have also included a copy of our guidance document for third parties to perform a risk evaluation (our law does allow someone to conduct a risk evaluation and submit it to us for consideration).

Second the team. Here is the list of team members and their office affiliation and expertise:

Anderson, Steve – our lawyer from OGC  
Bateson, Thomas – epidemiologist from ORD  
Courtnage, Robert – risk manager from NPCD (National Program Chemicals Division)  
Cybulski, Walter – scientist from ORD  
Jewett, Freeborn – eco back-up to Amelia, AB3  
Jon, Jay – engineer (responsible for environmental releases and occupational exposure) – AB3  
Kopylev, Leonid – statistician from ORD  
Lee, Mari – environmental fate AB3 – she just left us a few weeks ago to become a branch chief at USGS in Denver – WE WILL NEED ANOTHER FATE PERSON  
Nguyen, Amelia – primary eco – AB1  
Sasidharan, Abhilash – ORISE post-doc, training in human health (nano) – AB2  
Silagi, William – economist from CESSD (Chemistry, Economics and Sustainable Strategies Division)  
Sumner, Mitchell – chemist – TRI (Toxics Release Division)  
Vuilleumier, Kevin – consumer exposure – AB4

Other managers/people who occasionally come to meetings and who are on the invite list:

Lavoie, Emma – ORD  
Barone, Stan – RAD  
Winchester, Erik – NPCD

Other:

Pfahles-Hutchens, Andrea – risk assessment lead from Dec 2016 through Jan 2020 (currently on detail to OCSPP IO)  
WE DO NOT HAVE A CHEMIST FROM CESSD....

Fourth, the link to the SACC docket - <https://www.regulations.gov/docket?D=EPA-HQ-OPPT-2019-0501>

I will now also send you in a separate e-mail the draft risk evaluation and all the associated documents that were reviewed by the SACC (in addition to the charge questions).

Let me know if you want to talk again before the 1 pm meeting tomorrow!
